This year we are glad to report the company consists of 40 enthusiastic energetic guides. Mrs. Ronald Orton has been a great source of inspiration in her capacity of Lieutenant. Since last year's report we have enrolled 18 new guides.

Instead of the regular summer camp, week-end camps were held during the spring and early summer -- our thanks to Miss Pat Rogers -- now our District Commissioner.

During the year many badges were earned which included 1st and 2nd class, Child Care, Home Nurse, Religion and Life, Swimmers, Hostess etc., and one Craft Emblem.

We wish to thank the Ladies Auxiliary for their support and St. James Auxiliary for allowing us to help with the candy booth at the bazaar and so share in the profits.

Four girls from the company attended Heritage Camp in Ontario this summer and the same four girls graduated from guides to Rangers during the year.

ST. PETER'S CATHEDRAL REPORT OF THE RECTOR - 1967

This of necessity must be a projection rather than a report. Since the announcement of the appointment by the Bishop, Mrs. Tanton and I have received nothing but kindness and encouragement from the good people of Saint Peter's. We want you to know how much this is appreciated.

SOME CONCERNS TO BE SHARED

OUR WORSHIP.

We should endeavour to make our worship pleasing to God and edifying to man. There is a great liturgical upheaval in the Church, all Christian Communion are going through a time of great change. The problem today is the same as it was at the time of the first Prayer Book and so conveniently expressed in the words of The Preface, Prefixed at the Revision of 1662; "It has been the wisdom of the Church of England, ever since the first compiling of her Public Liturgy, to keep the mean between two extremes, too much stiffness in refusing, and too much easiness in admitting any variation from it."

Due to the expansion of the city and the mobility of our congregation it may be necessary to change the hour of our Choral Eucharist to 10:00 am or 9:30 am, to be followed by Sunday School. In this way we can restore the "Family Pew"

What is the best hour for Sunday Evensong is another problem to be solved. The attendance at the weekday Celebrations of The Holy Eucharist leaves much to be desired. Day after day the laity are not represented and there is no Eucharist offered. On the occasion of the 75th Anniversary, Dr. Cutbert Simpson, the preacher, "...stressed the fact that for more than fifth years the Daily Eucharist has been the centre of the devotional life of St. Peter's and reminded the congregation that it was their privilege and responsibility to build upon the foundation which had been so well laid." To change the present sad state of things it is suggested that families and individuals become responsible for attendance at the weekday Eucharist; eg the Joneses take the first Tuesday of each month.

St. Gergory's servers Guild. The Servers of the parish have been organized with regular officers. We hope that more of our boys will give themselves to this activity. We ask from parents their co-operation and encouragement. In one parish a lad said he couldn't serve because his parents objected to being awakened so early in the morning. God forgive them.

The Sunday School St. Peter's is fortunate to have a staff of capable and devoted teachers under the direction of an enthusiastic Superintendent in the person of Mr. Arthur Holland. No doubt in the near future the question of adequate facilities for teaching will come before the attention of the parish. In the meantime we should use the facilities we have to the best advantage. There are quite a few of our children who are not in Sunday School. Here again we solicit the help of the parents. Actually it is their responsibility to see that their child has a good religious education, The Church is here to help them.

WOMEN'S WORK Saint Peter's has an excellent opportunity to carry on the programme of the Anglican Church Women due to their present setup. We hope that out of the present groups there will come an overall executive who will coordinate the women's work and carry on a programme of Christian Education among the women.

REPORT OF THE RECTOR CONTINUED

Saint Peter's Altar Guild has been reorganized under the leadership of Mrs. Donald E. Carruthers. These ladies care for the Altar and its furnishings as well as the Communion Linens, the Vestments of the Clergy and Servers. Each Saturday they make ready the Altar for the coming week.

100TH ANNIVERSARY In 1969 we will be celebrating the 100th Anniversary of the Opening Services on St. Peter's, June 13, 1869. On August 8th, the Choir was Surpliced. The Bishop of Nova Scotia paid his first visit on September 12th, 1869 and held the first Confirmation in Saint Peter's. It is recommended that a special committee be constituted to make suitable arrangements for a fitting observance of our 100th Anniversary.

In all our parish life we must be conscious of the fact that our task is to be the Church of Christ and the question naturally arises, "WHAT IS THE CHURCH?" The following three paragraphs are taken from a paper delivered by the Rev. C. R. Elliott, St. John's Church, Fairview, N. S., and delivered to the Atlantic Ecumenical Conference at Halifax, September 1967:

The Church is the instrument of God, a tool for performing a task. as the Body of Christ, it is called to a task in the world, as its Lord was called to a task in the world by the Incarnation. This task is nothing less than being co-workers with Christ in the building the Kingdom of God, so that it might come on earth as it is in heaven. "Preaching the Gospel" is one way of describing that work simply, unless we confine this description to the function of being a divine publicity-agent in the world, a sort of Gospel news-media. Better than "preaching the Gospel" is the more exact "Proclamation of the Gospel". Proclamation is much more than talking about the Kingdom it means setting it up, initiation it, bringing it to reality in the lives of men. After all, GOOD NEWS is the EVENT itself, not the news report of the Event.

One of the perennial problems in trying to understand the Church has been the difficulty of trying to hold in uneasy tension two almost-contradictory concepts: the extent to which it is the Kingdom of God on earth, and to what extent it is God's Instrument for building the Kingdom. To some extent this is like confusing a factory with the product that comes from it. Or confusing schools with education. Or, in Genesis concepts, it is similar to making no distinction between the work of cultivating the Garden of Eden and the pleasure of enjoying its fruit. The two ideas can be held together but it presents a very real tension in Christian thinking nevertheless.

If the Church is the Kingdom it is a divine though visible replica of Heaven, a veritable City of God, the Commonwealth of the Saved. Thus it is a Church-in-repose, an arrived-church, and its major function would be the old-fashioned world-wide missionary church-extension program of making more and more members. Baptism would be a rescuing from the City of the World into the safe haven of the City of God. A major portion of the traditional Baptism theology is based on this approach.

SECOND CHARLOTTETOWN CUB PACK - 1967

The Second Charlottetown Cub Pack held a total of 32 weekly meetings in St. Peter's Church Hall during 1967, and in addition to a number of other outside activities, had a busy and successful year of cubbing.

There were 15 Cubs registered with the Pack from January to June. After Summer recess 3 new chums joined to bring Pack strength to 18 for the balance of the year, and has maintained this level to the present date.

Seven members of the Pack attended Summer Camp at Camp Buchan in July where we joined forces with Packs from Southport, Trinity Church and New Haven for an enjoyable five days of camping and outdoor activities. All seven members of the Pack qualified for their Athlete's badge and passed their fire lighting and outdoor cooking requirements, and made a commendable showing in all other phases of Pack Holiday activities.

In June the Pack took part in the mammoth Interdenominational Church Service at the Provincial Exhibition Grounds when Scouts, Guides, Brownies and Cubs joined with members of the armed services and war veterans in observance of National Veterans Week Centennial celebrations. The Pack also turned out in July to welcome The Queen Mother on the occasion of Her visit here at the official opening of the new Provincial Administrative Building. Three or four of our Cubs had the honour and pleasure of chatting with Her Royal Highness and had the added thrill later of seeing themselves in conversation with The Queen Mother over the National Television Network.

Participation in Boy Scout Apple Day in October the Pack did an outstanding job of salesmanship, turning in a total of \$62.24, the largest amount ever recorded by the Second Charlottetown Pack on Apple Day. They also turned out in November to assist the Canadian Legion on Poppy Day, making another fine showing by turning in \$42.70 for their efforts.

Respectfully submitted,

T. L. FitzGerald
Cub Master.

ST. PETER'S CATHEDRAL LITTLE HELPERS - 1967

The Little Helpers have 71 children under seven years of age from 46 families, only three less than last year--but the smallest amount since 1962.

The annual party was held November 3. The afternoon and evening branches of the W. A. were again most generous with their donations of food and money.

To all who contributed, and to the G. A.'s who helped entertain the children, our thanks for your continued support.

ST. PETER'S CATHEDRAL WARDENS REPORT - 1967

Our last annual meeting left us undecided on the congregations desires with reference to the Church Hall. We were planning to have facts and figures and drawings to present to you last fall but we were faced with the resignation, because of health, of our Rector, Archdeacon J. R. Davies.

A special congregational meeting was called on the 16th of July 1967 to make plans for engaging a new Rector. A committee was appointed and after one meeting with His Lordship Bishop W. W. Davis we were fortunate to have a former Islander appointed, not only as our Rector but as Archdeacon of Prince Edward Island.

ST. PETER'S CATHEDRAL WARDENS REPORT CONTINUED

The Vestry met with our new Rector, Archdeacon Tanton as soon as possible and discussed the church and its problems. As the result of these discussions we have decided to make our present hall attractive by the application of paint only and enter into future plans with our Rector.

The Ladies Guild have purchased additional chairs for the Church Hall and small tables and chairs for the children. We have completed this by new tables.

Through the year, we have had many problems. We have carried out necessary repairs and maintenance. We are now attempting to plan for the future and hope you will study our Budget. With help and guidance progress will be made in the coming year.

A sincere thank you for your excellent co-operation during the year.

ST. PETER'S CATHEDRAL SUNDAY SCHOOL - 1967

This report covers that period of 1967 from September when the undersigned assumed the duties of Superintendent as a result of Mr. Tom Smith's being transferred out of the province during the summer months.

Registration continues at about the same level as the previous year with an enrollment of 92. Attendance is very good but parents are requested to encourage their children to attend regularly.

We wish to express a special thank-you to St. Peter's A.C.W. for providing 2 stacking tables and 8 chairs for the use of the nursery class, as well as for their usual donation of \$100.00 toward Sunday School Expenses.

The painting of the Parish Hall by the Vestry is very much appreciated as it provides a clean bright area in which to hold our classes.

Meetings of the Sunday School teachers were held in October and November to discuss common problems and exchange ideas.

A Christmas Party was held on December 27 at which 76 children attended. Appreciation is extended to all those who participated and contributed to its success.

ST. PETER'S CATHEDRAL CHOIRS - 1967

Our Choirs, at the present time, consist of 12 women, 4 men, 16 girls and 5 boys. Obviously we need more men and boys and earnestly request volunteers.

There is a great deal of talent in our Junior Choir and we feel that it should be encouraged. The junior members will soon be seniors and an enthusiastic, capable junior choir bodes a better future for St. Peter's Cathedral music. We do recommend that the girls be supplied with gowns as soon as possible.

The Choirs have no money of their own and we do have to purchase music from time to time and hymn books have to be replaced. We have always made a practice of keeping our expenses to a minimum and, so far, we have received no complaints from the Vestry. However it would be more satisfactory and efficient if a certain amount of money could be allocated to a Choir Fund each year so that we could budget accordingly.

The attendance at practices is a bit inconsistent and we would stress that a Choir must practice regularly if it is to maintain any degree of excellence.

We would like to thank all those who have helped us throughout the year, with a special word to our Rector, To Canon Mark Ferguson, Mrs. Blake and Mrs. Rogers and their assistants and to Mr. Ling, the Sexton.

ST. PETER'S CATHEDRAL ALTAR GUILD - 1967

The glory of God is the only object and purpose of the Altar Guild. From time immemorial nothing has been deemed too beautiful nor too costly for sacred vessels, altar ornaments, vestments, and altar linen. This has been the tradition of Saint Peter's Cathedral since its inception 99 years ago and there has always been a faithful group of devoted women who have given their time and talent to make ready the Sanctuary week by week for the Celebration of the Divine Mysteries. Our people have been generous and thoughtful in providing worthy ornaments and vestments for the services of the Church.

You may have a part in this work by contributing financial to the Altar Guild and/or by joining one of the teams who weekly make ready the Vessels, Vestments and Altar.

We take this opportunity to pay loving tribute to the life and witness of the late Miss Mable K. Holt R. N. and to Mrs. J. R. Davies for her work and leadership--Our prayers and good wishes go with Mrs. Davies as she takes up residence in Halifax.

ST. PETER'S CATHEDRAL JUNIOR AUXILIARY - 1967

The Junior Auxiliary held weekly meetings from January until May. Some of the time was spent in learning the Pledge, the Promise, the Motto and the five aims of the Junior Auxiliary.

Under the direction of Bronwyn Murray a centennial scrap book was compiled with stories and pictures about each of the Canadian Provinces. Later the scrap book was sent to the Krus family in Germany.

In February St. Peter's J. A. met with St. Paul's group for the Service of the World Day of Prayer.

The Children enjoyed a day full of fun and fellowship when they attended the annual J. A. Rally in St. Paul's hall on Saturday, May 15.

The J. A. re-opened in September for their Fall activities. From October until December they worked on individual scrap books and made things for the G. A. table for the bazaar.

We had a visit from the Rev. Mr. Elias, Rector of St. Paul's Church and he showed us a very interesting film about the habits, customs and culture of our Canadian Indians.

Archdeacon Tanton visited us on St. Andrew's day and spoke to the children about St. Andrew and how he brought his brother Simon Peter to follow Jesus Christ. This the Archdeacon pointed out is why we call St. Andrew the first Missionary.

JUNIOR AUXILIARY REPORT CONTINUED

At Easter and Christmas the children donated canned goods to the Protestant Welfare Bureau.

For recreation there were parties, games, sing songs, and a hike. At present we have eight members in the Junior Auxiliary, namely: Darlene Korrey, Susan and Beyhany Holland, Elizabeth Hennigar, Natalie and Kelly MacKinnon, Elizabeth Ghiz and Leslie Pitchforth.

In closing I wish to thank the members of the Guild for their generous donation, Mrs. Harris for her donations of ice cream and finally I wish to thank my assistant, Mrs. Breedon, for neither the children nor I could get along without her.

Respectfully submitted,

Frances MacPherson, Leader

ST. PETER'S CATHEDRAL GIRLS AUXILIARY - 1967

St. Peter's Cathedral Branch of the Girls Auxiliary held a reorganization meeting early in October with 18 girls in attendance. At this meeting plans were finalized to join with St. Paul's G. A. to attend the Anglican Girls Rally at St. Mary's, Summerside.

On December 3 Archdeacon Tanton installed the following officers at the evening Service held in the Cathedral: President Leah-Jane Taylor, Vice-President Slaninca Radanorich, Secretary Brenda Brady and Treasurer Jeannette Towell. We were most happy to have our Diocesan Treasurer, Mrs. Reg. MacKinnon, in attendance at this service.

This group of active happy girls gave up a number of their Saturday afternoons during the Autumn to work on handicrafts for their Bazaar table under the super-vision of Mrs. William Shama and Miss Margaret Horne. They also collected Skates for the Indian Mission School at Moose Factory Ontario, wherer one of our former Sunday School teachers, Miss Holly MacMillan super-vises the girls in after school activities.

As in any progressive organization a group must have a certain amount of recreation to function properly and the Girls' Auxiliary enjoyed two social evenings, one a Hootenanny arranged by Mrs. Shama with Musical Programme presented by Linda Kays and Marsha Taylor. The other at Halloween when the "New Image" boys group played to a most appreciative audience.

The Girls also learned the meaning of Service to their Church when they assisted Mrs. Stuart Dickson in cleaning some of the brass in the Church and Chapel at Christmas.

On be-half of the Girls Auxiliary I would like to thank all of the members of St. Peter's Chathedral who gave so generously to the Girls' Bazaar table and especially to the little J. A.'s and their leaders,

ST. PETER'S CATHEDRAL ALTAR GUILD - 1967

The glory of God is the only object and purpose of the Altar Guild. From time immemorial nothing has been deemed too beautiful nor too costly for sacred vessels, altar ornaments, vestments, and altar linen. This has been the tradition of Saint Peter's Cathedral since its inception 99 years ago and there has always been a faithful group of devoted women who have given their time and talent to make ready the Sanctuary week by week for the Celebration of the Divine Mysteries. Our people have been generous and thoughtful in providing worthy ornaments and vestments for the services of the Church.

You may have a part in this work by contributing financial to the Altar Guild and/or by joining one of the teams who weekly make ready the Vessels, Vestments and Altar.

We take this opportunity to pay loving tribute to the life and witness of the late Miss Mable K. Holt R. N. and to Mrs. J. R. Davies for her work and leadership--Our prayers and good wishes go with Mrs. Davies as she takes up residence in Halifax.

ST. PETER'S CATHEDRAL JUNIOR AUXILIARY - 1967

The Junior Auxiliary held weekly meetings from January until May. Some of the time was spent in learning the Pledge, the Promise, the Motto and the five aims of the Junior Auxiliary.

Under the direction of Bronwyn Murray a centennial scrap book was compiled with stories and pictures about each of the Canadian Provinces. Later the scrap book was sent to the Krus family in Germany.

In February St. Peter's J. A. met with St. Paul's group for the Service of the World Day of Prayer.

The Children enjoyed a day full of fun and fellowship when they attended the annual J. A. Rally in St. Paul's hall on Saturday, May 15.

The J. A. re-opened in September for their Fall activities. From October until December they worked on individual scrap books and made things from the G. A. table for the bazaar.

We had a visit from the Rev. Mr. Elias, Rector of St. Paul's Church and he showed us a very interesting film about the habits, customs and culture of our Canadian Indians.

Archdeacon Tanton visited us on St. Andrew's day and spoke to the children about St. Andrew and how he brought his brother Simon Peter to follow Jesus Christ. This the Archdeacon pointed out is why we call St. Andrew the first Missionary.

AUDITOR'S REPORT

We have examined the books and accounts of the Parochial Corporation of St. Peter's Cathedral as kept by the vestry clerk for the year ended December 31, 1967. Our examination included verification of the bank balances and examination of the statements of the trustees for the securities held for the various trust accounts.

In our opinion the accompanying statement of receipts and expenditures and the attached schedules present fairly and financial operations for the year ended December 31, 1967.
