ANNUAL REPORT
FOR
THE YEAR ENDING DECEMBER 31
1968

THE RECTOR'S REPORT

The Wardens, Vestry and Parishioners of the Cathedral of Saint Peter,
Charlottetown, Prince Edward Island

GREETINGS:-

I would like to touch upon some of the high lights of the past year, the visit of the Most Reverend Howard H. Clark, Primate of Canada and Mrs Clark, was an outstanding event in the life of the Church on the Island. It was the Primate's first visit. The Parishioners of St. Paul's provided a reception to afford the Members of the Primate's Visit Committee and the Executive of the Diocesan Church Society opportunity to meet the Primate and Mrs. Clark. The Lieutenant Governor graciously received the Primate at Government House. The Services at Summerside and at Confederation Centre in Charlottetown were outstanding. We were blessed by the Primate's presence at the early Eucharist at Saint Peter's. We trust that this will be but the first of many visits to the Island by Archbishop and Mrs. Clark.

Another first, since he was appointed Governor General, was the visit of their Excellencies, The Right Honourable and Mrs. Roland Michener, to the Island and to Saint Peter's Cathedral. The Governor General, a devoted Churchman, read the lesson at the Choral Eucharist. Their Excellencies' deep devotion and participation in the service were an inspiration to all and especially to the young people.

On Sunday, June 30th, within the Octave of the Feast of Saint Peter, Canon E. M. Malone, M.A., D.D., D.C.L., Honourary Priest Assistant, Priest Incumbent of Saint Peter's Cathedral 1921-1952, in the sixty-second year of his priesthood, blessed and planted a tree, assisted by Dr. H.H. Kelly and Mr. Donald Carruthers, Cathedral Wardens, to mark the 99th Anniversary of the building of Saint Peter's Cathedral. All were thrilled to note the vigour in his voice as he lead us in the prayers he loves so well.

Dr. H. L. Palmer, Vice-Chancellor of the Diocese of Nova Scotia, a devoted parishioner of Saint Peter's and a wise councillor in Church matters in both Nova Scotia and Prince Edward Island, was appointed by the Bishop of Nova Scotia to be Chancellor of the Diocese. In his Charge to Synod the Bishop said of Judge Palmer, "(he) has proved himself a dedicated Churchman from St. Peter's Cathedral Parish in Charlottetown, whose worth won further recognition a few years ago when he was elected Prolocutor of our Provincial Synod (comprising the Dioceses of Newfoundland, Nova Scotia, Fredericton, Quebec and Montreal)...."

Our Church in Prince Edward Island has a long association with the Diocese of Nova Scotia, and your Bishops are proud that a son of Prince Edward Island should for the first time in Diocesan history hold the high post of Chancellor." AMEN. So say we all.

Miss Dianne Kays, a member of the Choir and a student at St. Dunstan's University, was selected as the first Youth Delegate to the Diocesan Synod of Nova Scotia. She is the first young person to be so honoured. We trust that more of the youth of our Diocese will be elected to our Diocesan Synod but can see this happen only when the Synod is held over a weekend rather than a middle-of-the-week affair.

Our Sunday School and attendance at the Parish Eucharist continue to grow. We are most grateful to Mr. Arthur Holland, Superintendent, and his faithful band of Teachers. The Lenten Church School on Saturday mornings was an outstanding "success". We look forward next year to continued growth. Persons who are interested in helping with the school should contact Mr. Holland. A group for young people grades eight and up has been started. This group meets on Sunday evenings at 5:30 P.M. The programme is a talk, film, debate or guest speakers, supper and closes with Evensong.

Saint Paul's and St. Peter's were hosts to a Deanery Boys' Conference on Vocation. The theme was "WHAT'S A LIFETIME FOR?" We are grateful to the Parishioners who provided hospitality and the ladies who provided meals and snacks. We are looking forward to next year's conference for Girls.

Saint Peter's Young People were well represented at the Youth Camps held at the Deanery Centre at Crapaud. We hope that more may attend next year and that the people of Saint Peter's will renew their interest and support of the Centre. It can become a great unifying instrument in the life of the Church on the Island.

The "Mothers of Young Children" under the leadership of Mrs. Rosemary Hill held their first meeting in November when our own Mrs. Isabel Harling was the speaker. We believe that this group will provide a forum for discussion of Church, home and family concerns and an opportunity for fellowship, inspiration and deepening the spiritual life of our parish. We urge our women to participate in the interesting programme which has been planned for the New Year.

ONE HUNDREDETH ANNIVERSARY

In 1969 we will observe the 100th Anniversary of the building of the then Saint Peter's CHURCH, later to be designated a CATHEDRAL by Bishop Binney. Due to the Rector's illness the observation will take place in the Fall. Full particulars will be in your hands by May.

On November 17th 1968, following a delicious Pot-Luck Supper, provided by the Ladies of the Parish, the Parishioners decided to provide Sunday School and Meeting rooms in the basement of the Cathedral and to leave the building of a new parish hall to a later date. These rooms will provide long needed facilities and will prove most useful to our Parish Education Programme. Two ad hoc committies have been set up; Building Committee and Finance Committee (Ways and Means). These Committies will be made up of the respective committees of the Vestry together with other knowledgable people from the congregation. You will be hearing more about this project in the report of the Building Committee.

We are grateful to all who have assisted with the Church's round of "Fast and Festival", especially to Canon Mark Ferguson, to our Wardens and Vestrymen, the Director and Members of the Choirs, our competent Organist, our Lay Readers, the members of our Servers' Guild and last but by no means least to our industrious Sexton, Mr. William Ling. Many have said that Saint Peter's has the best kept lawns and sidewalks, especially in Winter, of any property in Charlottetown.

To the Leaders and Members of our various parish organizations we are most appreciative of their good works. We extend a special word of congratulations to these who made such a success of "Grandma's Attic and Annual Supper and Bazaar."

I would like to close this report with a very personal note from my wife and myself. How can we thank you for all the kindness that has been shown to us during and since my hospitalization early in December. I have said that if a person must be sick, be sick on P.E. Island and preferably at Saint Peter's Cathedral. We shall be eternally grateful for all the love and kindness God has shown us through you.

Below is a short statistical report of the past years ministrations.

Respectfully submitted,

G.S. Tanton, Rector.

Property Warden's Report

Following the last annual meeting the Vestry appointed various committees, one of these was the property committee. Committees such as we have had during the last year are a very useful way of dividing up work, and getting work accomplished.

The early additions to our property were tables for the Sunday School class. The first part of the year, only necessary maintenance was carried out, but as the year went on, the gutters of the Church were repaired and the brick work pointed in the areas where it had deteriorated. Aluminum windows were put on the Rectory and all glass in the Cathedral, Rectory and Hall repaired. The hot water system for the kitchen sink was repaired but this was unsatisfactory. Further arrangements to supply hot water for the ladies at the time of our annual tea is necessary.

Immediately following our Special Congregation meeting in the fall, the property committee was expanded to a building committee of 16 souls.

The terms of reference for this committee were to prepare plans for Sunday School rooms in the basement of the Church with all the necessary specifications and contractors asked to tender on the plans. The committees worked very hard and conscientiously and have prepared very desirable plans. These plans have been posted in the Church entry for two weeks. On January 17 we opened the tenders, and the firm of William Murphy and McLeod had the low tender of \$36,859.00 on general construction; Bevan Bros \$7269.00 on mechanical and Palmer Electric Ltd., \$2,595.00 was the low on electrical.

The Building Committee recommended to the Vestry that these low bids be accepted. The Vestry held back the signing of the actual contracts until this annual meeting and the congregation are informed, but in the meantime are allowing excavation, so that any water problems and any other basement problems, which may be encountered will be observed before this meeting. The total cost including Architects fees as the plans were received by the contractors is \$49,050.00. The building committee and the Vestry recommend that these be accepted. In addition two posts in a large room can be engineered out of this area by an additional cost of \$383.00, this is also recommended.

As Property Warden and Chairman of the Building Committee I want to express my sincere appreciation and thanks to the building committee and everyone who helped in this endeavour.

Respectfully Submitted,

H.H.Kelly,
Property Warden.

Financial Wardens Report - 1968

I submit a statement of the church's receipts and expenditures for 1968 as prepared by H. R. Doane & Company C.A. together a budget for 1969 prepared by the Wardens. Both are self explanatory but I should like to comment on a few items. The most significant is the increase of more than \$2,000 in givings and although stipends and Honoraria increased \$1,457 the total parish operating expenses increased only \$892. Last year we budgeted for a \$2,000 debt reduction but to do so it appeared our income would be \$2,801 short and I am pleased to draw to your attention that our debt was reduced \$2,500 and we ended the year with a surplus of \$1,111.

This year we are budgeting \$6,100 to reduce our borrowings and pay the interest on loans of \$44,000. This can be done if we increase our givings 20/25 per cent.

We have negotiated a new contract for furnace oil which will mean a savings of approximately \$400 in 1969.

We have been advised by the Canada Permanent Trust Company that the fees for handling the securities of our various trusts will increase. The increase will amount to approximately \$350 and we have therefore arranged for the securities to be transferred to Canadian Imperial Bank of Commerce where the charge will be \$85 less than paid in 1968.

A committee has been formed with the object of finding ways and means to raise funds to finance the cost of the proposed new Sunday School classrooms in the basement of the church. The committee has not met since it was organized as it was only last week the cost of the renovations was known.

You will be hearing from us.

D.E. Carruthers
Finance Warden

AUDITORS' REPORT

We have examined the books and accounts of the Parochial Corporation of St. Peter's Cathedral as kept by the Vestry Clerk for the year ended December 31 1968. Our examination included verification of the bank balances and examination of the statements of the trustees for the securities held for the various trust accounts.

In our opinion the accompanying statement of receipts and expenditures and the attached schedules present fairly the financial operations for the year ended December 31, 1968.

ST. PETER'S CATHEDRAL SUNDAY SCHOOL - 1968

Registration has increased slightly from the preceding year with an enrollment of approximately 100 children. We must again urge parents to encourage their children to attend regularly, bearing in mind that one of the advantages of the Family Eucharist is the convenience of one trip to the Cathedral for both church attendance and Sunday School.

Meetings of the teachers were held monthly for instruction and discussion.

A successful picnic was held at Lord Selkirk Park in June.

Transportation to Summerside was provided by the Vestry for all children (6 yrs) to attend the Youth Rally on the occasion of the Primate's Visit.

A Christmas 'Birthday Party' was held in the Parish Hall on December 27 with approximately 40 Children attending.

The Annual Report of the Girls' Auxiliary of St. Peter's Anglican Cathedral, for the year ending December 31st, 1968.

The Girls' Auxiliary, which consists of 14 members including the Executive, met regularly every Monday evening at 6:30 P.M. in the Guild Room. The officers are as follows - President- Slavica Radanovich; Vice-President - Betty Ann Kays; Secretary- Rosemary Ghiz; Treasurer - Barbara Jabbour.

Corporate Communion was held on five occasions and a special Girls' Auxiliary, World Day of Prayer Service was held in All Soul's Chapel, on March 1st with Archdeacon Tanton conducting the Service. Also in attendance were members of the Junior Auxiliary and their leaders, Mrs. J. S. MacPherson and Mrs. A.E. Breedon as well as our G.A. Secretary Mrs Reg. MacKinnon and members of St. Paul's G.A.'s. The collection from this service, which amounted to \$5.00 was forwarded to the Women's Inter-Church Council of Canada.

A new venture was undertaken by the G.A.'s recently when they held an Autumn Tea at the Rectory on November 16th. This event proved most successful.

An afghan on display at this tea, drew many admiring comments, Composed of many multi-colored squares, knitted by G.A. members all over the Island, it was assembled by a former G.A. secretary, Mrs A.E. Breedon.

Part of the proceeds of the tea went towards purchasing gifts and games which along with the afghan were forwarded to the Anglican Mission School at Moose Factory where a former Sunday School teacher of St. Peter's, Miss Holly MacMillan is supervisor of 30 intermediate Indian girls.

This G.A. group enjoy a varied program of activities including assisting in paediatrics at the P.E.I. Hospital in the spring, making handcrafts and gifts for the annual church bazaar and sale in December and helping with Altar Guild at Christmas and Easter.

Ultimate goal of these girls is earning the ring of honor, which is presented only with the consent of the Diocesan Executive of the Anglican Church Women and is the highest award that can be conferred on a member of the Girls' Auxiliary.

On behalf of the members of this group and my assistant, Miss Margaret Horne, I would like to thank most sincerely Archdeacon and Mrs Tanton, Mrs. A.E. Breedon, Mrs William Shama, Miss B. MacKinnon, Mrs H.S. MacPherson, Mrs. A. Stuart Dickson, Mrs. A.G. MacMillan, Miss Bernice Rowland and Mrs. James Harris, also all who contributed so generously to the G.A. bazaar table.

ST. PETER'S CATHEDRAL LAYMENS ASSOCIATION- 1968

Five breakfast meetings of the St. Peter's Laymen's Association were held during 1968 following Corporate Communion for the men of the congregation. The average attendance at each of these meetings was about 30 men. We were privileged to have guest speakers on two occasions- Revd. David E. Coles of the Canadian Bible Society on February 25th and Bishop Arnold on November 24th.

At the meeting on October 27th, the new executive were elected- Messrs I. K. Leslie, R. A. Orton, A. Taweel and H. Simpson.

We would like to express our thanks to the members of the outgoing executive- Messrs A. Holland, M. V. Blake, and A. S. Dickson for their efforts during the year, and to solicit the support of all men of the Parish for the association and the new executive.

In closing this report, we would like to let the ladies of St. Peter's A.C.W. know how much we appreciate their efforts in preparing the breakfasts for our Association, and hope for their continued help in the year ahead.

FIRST CHARLOTTETOWN GIRL GUIDE COMPANY - 1968

The activities of the 1st Charlottetown Guide Company during the year 1968 were varied, numerous, and I trust, enjoyed by the girls, their leaders and instructors.

Lt. Cdr. R. A. Orton instructed the Guides in a Map & Compass course, and we were pleased to have Mrs Marion Large instruct a First Aid Course.

Camping has been of prime interest and, thanks to Pat Rogers' continued participation, many opportunities for hiking and camping have been available. This resulted in several

girls earning Woodsman, Outdoor Cook, Camper Pioneer badges and Woodlore Emblems. One girl attended Heritage Camp, 16 guides went to regular camp and 6 broadened their knowledge considerably at Pioneer Camp. Many weekend camps were organized and supervised by Miss Rogers.

We now proudly carry a Company, as well as the Canadian Flag. The new flag was purchased from our own funds. Patrol boxes were replaced and Patrols were encouraged to make use of them by the awarding of books etc. suitable for Guide training.

Our book sale has provided a fund for acquiring and repairing camp equipment. Most hearty thanks to Mrs. Peter Cosh for her assistance with this project, another sale will be held this year.

We are proud of the Guides who earned their 2nd and 1st Class badges during the year and the one who received her All Round Cord. Four Guides are working for the All Round Cord and one for the Gold Cord.

We wish to thank the Ladies Auxiliary for their support and St. James Auxiliary for allowing us to help with the candy booth at the bazaar and so share in the profits.

SECOND CHARLOTTETOWN CUB PACK - 1968

Commencing the year with a pack registration of 19 boys during the period from January to June 1968, Pack strength was reduced to 15 boys at the commencement of the fall session in September as the result of four Cubs moving up to the Scouts. The Pack held a total of 31 weekly meetings in the St. Peter's Church Hall during the year in addition to other activities including the annual Boy Scout Parade, a special parade for the visit of Governor General Roland Michner, and a special service at St. Peter's to commemorate Boy Scout Week.

A total of 11 Cubs attended summer camp in July at Camp Buchan where they joined forces with some 80 other Cubs from the Charlottetown Area to enjoy a busy five days of fun training at the Provincial Camp site.

The Pack made an excellent showing of Salesmanship during Boy Scout apple day, turning in a total of \$53.57, whilst their assistance in the Canadian Legion Poppy Day campaign produced a total of \$27.02.

All in all the Second Charlottetown Pack had a highly successful and active year, but it could have been more productive except for one particular reason. At the Annual Church Meeting last year, a recommendation was made that our now defunct group committee be re-organized and that this committee be

be charged with the responsibility of acquiring leadership assistance. This has never been done and as a result the boys' training has suffered. One person cannot look after 15 - 20 boys and carry out the type of program required, particularly in the field of badge work and other activities requiring specialised attention in small groups. Once again I am making an appeal for action in this matter, and it is my sincere hope that it will not be necessary to repeat it again in 1969. Should this necessity arise, however, I feel quite sure that it will not be me that will be making it.

REPORT OF THE JUNIOR AUXILIARY OF ST PETER'S CATHEDRAL 1968

The Junior Auxiliary meet every Thursday from September until May- It has a membership of 15 girls between the ages of 7 - 11 years.

Under the guidance of Mrs. Breedon the Juniors learn the Members Prayer, the Pledge, the Promise, the Motto and the Five Aims of the Junior Auxiliary.

Part of the money donated by the Guild was used to buy material for uniforms.

Each week the Juniors who know their memory work, bring collections and wear uniform, receive a red star.

At the end of the year the collection is given to the Diocesan J. A. Secretary. It is used in Canada for Sunday School by Post, Eskimo Children in All Saints Hospital, Aklavik and United thank offering. Outside of Canada it is sent to Kindergarten in Mid- Japan and Parish schools in Kangra, India.

The Juniors sent a Christmas gift to the children at Harden Hall, Moose Factory. A letter of thanks was received from their Supervisor Miss Holly MacMillan.

During the year Mrs James Harris visited the Junior Auxiliary and showed cards and handicraft she had received from her adopted child in Germany.

In February the Junior and Girls Auxiliary met in all Souls Chapel for the Service of the World Day of Prayer.

The Juniors made novelties for the G.A. Table at the annual Bazaar, they also made 22 holders for toothbrushes and combs out of colored picnic plates and donated them to the pre-school children in St. James Hall, Charlottetown,

On may 25th a Diocesan J. A. Rally was held in St. Pauls Parish Hall. There were 90 Juniors, 10 leaders and several visitors present.

ArchdeaconTanton organised some lively gameswhilst members of the A.C.W. of St.Pauls and St.Peters prepared a delicious lunch.

We are sorry that Mrs.Robert Currie, retiring Diocesan J.A.Secretary was unable to be present but Mrs Thompson,J.A.Leader of St Pauls showed a beautiful plaque which would be sent to Mrs Currie on behalf of the Junior Auxilary of Prince Edward Island and their leaders.

Mrs Thompson introduced the New J.A.Secretary, Mrs C.C.Hickey of Summerside, who spoke briefly to the children.

Our grateful thanks to the ladies who donated food, time and money which contributely so greatly to the success of the rally.

In closing, Mrs Breedan and I wish to thank Mrs Tanton and Mrs Harris for their interest and support during the last year.

LITTLE HELPERS ANNUAL REPORT - 1968

The secretary called on all mothers of children under the age of seven during the month of October.

There are now 65 Little Helpers from 39 families- six less than last year, and the smallest number since 1958. To compare, there were 88 children from 42 families in 1965, a drop in numbers of 23 children in 4 years.

The annual party on October 23 rd was well attended. Our thanks to the ladies of the Afternoon and Evening branches of the A.C.W. who supplied the sandwiches and cookies, and the cash donations for the Ice cream and Milk. We are grateful also to those who helped serve on the party day and for your continual support of this small part of the Church's program.

MOTHERS OF YOUNG CHILDREN - ANNUAL REPORT 1968

A newly organised discussion group was started in October by Archdeacon Tanton for the 'Mothers of Young Children', it has as its convenor Mrs. Douglas Hill.

The first meeting was held at the church hall 5th Nov. and had twenty two young mothers present. The guest speaker was Mrs. E. Harling, who spoke on 'The fears of young children'

Our second meeting was held 12th Dec. when we had two speakers Sister Joan MacDonald and Sister Mary Morrison of the Catholic Welfare Bureau. It was a very interesting meeting and the group had a very stimulating discussion, we were sorry that the Archdeacon, because of ill health, could not attend.

On 16 Jan. we look forward to hearing Dr. Parnel as the guest speaker.

We do encourage all Mothers of Young Children (one to sixteen) to attend the talks and discussions.

St. PETERS CATHEDRAL ALTAR GUILD - 1968

At the moment the Guild consists of ten members, and during the past year carried on the object and purpose of the Guild, established by tradition over the past 100 years, to devotedly care for and beautify the sacred vessels, altar ornaments, vestments and altar linen, and make the Sanctuary ready for the celebration of Divine Services.

The members work in teams of three and due to the small membership, each team is on duty every third month. New members are needed and any who would like to avail themselves of the privilege of serving in this most gratifying work will be very welcome.

Mr. Paul Kays, Sacristan, has worked tirelessly to train our boys to be servers. He will have additional boys ready very soon and new cassocks and albs must be supplied. Contributions towards this worthy cause are needed and will be most appreciated.
